My Dad: A Tribute to George is an exhibition by Canberra potter Paul Dumetz. This new body of work features a series of wheelthrown cups which explore cherished memories and stories as a tribute to Paul's late father George Dumetz.

Under the guidance and assistance of his mentor Maryke Henderson, Paul's wheelthrown work is made with a view of creating functional wares which can be appreciated in an artistic sense. He is interested in the development of unique and striking glazes which draw inspiration from traditional wood ash, salt and soda glazes, as well as telling stories through illustrative work.
